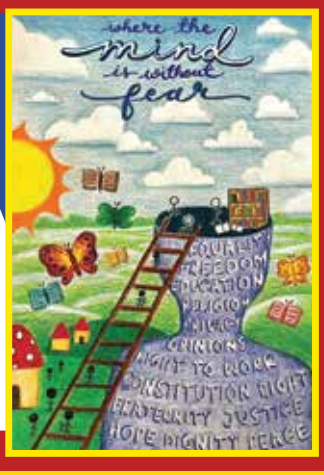
DESIGN in our everyday life

Design is about adapting the environment to our functional, emotional, psychological and social needs. It is present everywhere from clothes we wear to the cars we travel in, from phones we use to movies that we watch. All the product and services we use has a designer's contribution in it. It is what contributes to making our living more enjoyable by simplifying our lives. Design helps us in coming together as a family, as a group, as a community, as a society. Design is about progress. It is the conceptualizing and creation of new things: ideas, interactions, information , objects, typefaces, books, posters, products, places, signs, systems, services, furniture, websites and more. A career in design is more than a job. It is a way of seeing; a way of interacting with the world. It is a way of life. **DO YOU WANT TO BE A PART OF IT?**



A CAREER IN DESIGNING *Creative Career Options*

Fashion Design, Textile Design, Graphic Design, Furniture Design, Animation and Film Design, Automobile Design, Interior and Furniture Design, Architecture, Toy and Game Design, Exhibition Design, Automobile Design, Product Design and many more... As a designer one can find employment with Apparel / Accessory brands, Product manufacturers, Garment export houses, Fashion show organizers, Lifestyle brands, Design houses or one could become an entrepreneur. Design as a career offers huge outlets for creativity as new systems and products get moulded by designers to suit indegenious requirements, such as local tastes and preferences in accordance with climatic conditions, prevalent trends etc. Your creativity allows you to lead a unique individual flavour to something very ordinary or common place. That's exactly the reason why designing can be exciting and very stimulating as a career option. Designing can not only make us feel better, it can improve our over all life as well. Fashion designers today are the biggest trend setters. That explains why the fashion sector is defined by constant metamorphosis. In order to achieve this, designers are exposed to existing trends and styles and are also given grounding in the history of fashion and art. One of the top professional, unconventional career option: Designing is an highly upmarket and Glamorous field! It is not just challenging but also a highly satisfying career choice. People entering in this field should be willing to work in a team and obviously be creative in their approach! A career in design is one of the most sought after professions in the modern times.

25. Aesthetic Sense

AFA
ACADEMY OF FASHION & ART

WHAT IS EVALUATED IN A DESIGN PAPER?

This Test is Administered to **JUDGE THE SKILL, POWER OF OBSERVATION, INNOVATION & DESIGN ABILITY.**

An important aspect of the test is the candidate's usage of colour and illustration. Accuracy, neatness, out of the box thinking, a natural, original and unique design sense are some of the parameters a student is judged upon.

ADMISSION PROCEDURES

1 STAGE

1. Design Aptitude Test (Pen & Paper based)
2. General Aptitude Test (Computer/ pen & paper based)

2 STAGE

1. Situation Test
2. Studio Test
3. Interview
4. Portfolio Review (Digital/Physical)

"AFA was truly a guiding light in my journey to success. The institution helped me understand so much about so many things. The knowledge I consumed during my time at AFA is the reason why I was able to achieve this and I will never stop feeling grateful. The teachers understood my strengths and taught me how to use them to my best ability. They also recognized my weaknesses and helped me get over them. It was an amazing thing to experience as a student and a design aspirant."

Simran Nagpal
NIFT AIR 15
NIFT DELHI
FC (2023)

WHAT SHOULD YOU STUDY FOR GAT

1) **QUANTITATIVE ABILITY:** This sub-test is designed to test the quantitative ability of the candidates. The sub test consists of questions on Addition, Multiplication, Division, Fractions, Percentage, Rate of Interest, Work and Task, Ratio and Proportion, and Distance.

2) **COMMUNICATION ABILITY:** This sub-test is aimed at testing the language ability of the candidates in day to day communication in English. It includes questions on synonyms antonyms, words with corresponding meanings, singular, plural, one word substitutes, idioms and phrases, correct spellings.

3) **ENGLISH COMPREHENSION:** This sub-test is to test one's ability to comprehend a situation from a given passage etc.

4) **ANALYTICAL ABILITY AND LOGICAL ABILITY:** This subtest is designed to test the candidate's capacity for inference and logic from the given information and to evaluate the candidate's ability to identify the given problem and apply reasoning in solving the core issues of the problem. Concepts and practice of creative and lateral thinking are likely to be useful.

5) **GENERAL KNOWLEDGE AND CURRENT AFFAIRS:** This sub-test is designed to test the candidate's general knowledge and current affairs.

Design & Architecture Entrance Exams For
NIFT | NID | U - CEED | NATA

NID
(NATIONAL INSTITUTE OF DESIGN)
www.nid.edu

National Institute of Design at Ahmedabad and at its Bengaluru and Gandhinagar Extension campuses (India's premier and first design institute) has been declared 'Institution of National Importance' by the Act of Parliament, by virtue of the National Institute of Design Act. NID has been active as an autonomous institute under the aegis of the Department of Industrial Policy & Promotion, Ministry of Commerce & Industry, and Government of India. As per the NID ACT 2014, the institute is the statutory authority empowered to award its own degrees- Bachelor of Design (Four Years), Master of Design (two and a half years) and PhD in Design. The institute is also a member.

PROGRAMS OFFERED

TOTAL				**425**

^The decimal number is rounded off to nearest whole number for deriving available seats in a particular discipline.

**Maximum seats in any program can be 30, keeping the total seats as 75.*

• Successful candidates admitted to B.Des Programme at NID will be required to attend a mandatory foundation programme of one-year duration. Allotment of a discipline of choice is based on a candidate's merit and choice only after successful completion of the foundation programme.

TEST PATTERN

STAGE-1	DAT	MEDIUM	DURATION	MODE	MARKS
	PRELIMNS	ENGLISH	3HRS	PEN AND PAPER	100
STAGE -2	MAINS	ENGLISH	3 HRS/ 3 DAYS		100

The Design Aptitude Test (DAT) Prelims primarily evaluates each candidate on the following abilities:
• Knowledge • Comprehension • Analysis
• Creativity • Visualization

STAGE 1: THE DAT PRELIMS CONSISTS OF TWO PARTS

Part I: MULTIPLE-CHOICE QUESTIONS.- This part has questions with one or more than one correct answer. The responses of this part will be recorded on an OMR sheet and evaluated digitally.
EX- Which colour of the frame represents highest temperature? Ans- Blue
Part II: SUBJECTIVE QUESTIONS, with responses to be provided in visual and/or written formats.
Ex- Draw a woman with a child crying in his arms. Candidates should note that appearing for the DAT Prelims or being ranked in the shortlist does not guarantee automatic entitlement to admission.

STAGE 2: DESIGN APTITUDE TEST (DAT) MAINS

Candidates shortlisted after the DAT Prelims will be invited to appear for DAT Main exams at Ahmedabad or at all campuses of NID viz Ahmedabad, Bengaluru, Gandhinagar, Kurukshetra, Vijayawada, Madhya Pradesh and Assam. Exact details of the Test Centre will be mentioned in the DAT Mains Admit Card. The number of candidates shortlisted will be no less than three times the number of seats available per category in that programme.

The DAT Mains for these programmes may consist of tests in multiple formats such as in a studio set up drawing/sketching, hands-on model making, group discussions, presentations, theme based tests, Interviews and Portfolio Interactions.

FINAL MERIT LIST:

The final common merit lists for the B.Des. will be generated category wise (Open, OBC-NCL, SC, ST, PWD), based on the sum total of the weighted scores obtained by the candidate, namely the DAT Prelims and DAT Mains.

B.DES

ELIGIBILITY AGE LIMIT:

- For Indian Nationals in General Category and General EWS Category below 20 years of age as on 1 July.
- For Indian Nationals in Reserved Category (Other Backward Class-Non Creamy Layer (OBC-NCL), Scheduled Caste (SC), Scheduled Tribe (ST) below 23 years of age as on 1 July.
- For Indian Nationals in PWD Reserved Category below 25 years of age as on 1 July
- For Foreign Nationals in Overseas (Supernumerary) Category below 20 years of age as on 1 July.

EDUCATIONAL QUALIFICATION:

Applications for current academic year are open to applicants who have passed or will appear for higher secondary (10+2) qualifying in any stream (Science, Arts, Commerce, etc.) from any recognized board of education such as CBSE, IB, ICSE or their equivalent.

M.DES (347 seats)

EDUCATIONAL QUALIFICATION:

In addition to satisfying the above age criteria, the candidate must possess at least one of the following minimum qualifications to be considered eligible for admissions:

COURSES/LOCATION/SEATS

AHMEDABAD		GANDHINAGAR		BENGALURU	
ANIMATION FILM DESIGN	19	APPAREL DESIGN	19	DESIGN FOR RETAIL EXPERIENCE	19
CERAMIC AND GLASS DESIGN	12	LIFESTYLE ACCESSORY DESIGN	19	DIGITAL GAME DESIGN	19
FURNITURE & INTERIOR DESIGN	19	STRATEGIC DESIGN MANAGEMENT	19	INFORMATION DESIGN	19
FILM & VIDEO COMMUNICATION	19	NEW MEDIA DESIGN	19	INTERACTION DESIGN	19
GRAPHIC DESIGN	19	PHOTOGRAPHY DESIGN	19	UNIVERSAL DESIGN	19
PRODUCT DESIGN	19	TOY & GAME DESIGN	12		
TEXTILE DESIGN	19	TRANSPORTATION & AUTOMOBILE DESIGN	19		

Bachelor Degree of minimum 4-year duration in any specialization, after 12th standard or equivalent to 12th standard from any university or institute recognized by law in India.

Condition: Candidate must have appeared in all subjects by 30 June 2024*.

OR

Full-time Diploma of minimum 4-year duration in Design/Fine Arts/Applied Arts/ Architecture, after 12th standard or equivalent to 12th standard, from any university or institute recognised by law in India. Condition: Candidate must have appeared in all subjects by 30 June 2024*.

OR

Bachelor Degree of minimum 3-year duration in any specialization, after 12th standard or equivalent to 12th standard. Condition: Candidates must have passed the 3-year Bachelor degree examinations by August 2023.

All applicants applying for the M.Des. programme (any discipline) must fulfill criteria of both age and education qualification.

ELIGIBILITY AGE LIMIT:

- For Indian Nationals in General Category & General EWS category below 31 years of age as on 1 July.
- For Indian Nationals in Reserved Category (Other Backward Class-Non Creamy Layer (OBC-NCL), Schedule Caste (SC) & Scheduled Tribe (ST)) below 36 years of age as on 1 July.
- For Indian Nationals in Person with Disabilities (PwD) Reserved Categorybelow 38 years of age as on 1 July
- For Foreign Nationals in Overseas (Supernumerary) Category below 31 years of age as on 1 July.

EXAM PATTERN

DAT- DESIGN APTITUDE TEST- PRELIMNS

DAT- DESIGN APTITUDE TEST- MAINS (STUDIO TEST AN INTERVIEW)

Student's Speaks

I joined AFA in late September 2021, absorbed in self doubt and fear of the exams. However going through the classes regularly helped build me a schedule and discipline to follow to keep up my practice. Online tests and class questions gave a good idea of how the exam was going to be, making it one level more comfortable for us.

The teachers listen and answer all questions, doubts are always discussed, talks with other college professors gave a platform to interact and gain a third perspective. Overall, the benefit of being in a disciplined routine with such up to date and thorough material helped me cover up the gap of being from a non-design background.

I never imagined that i'll be achieving such scores, and I'll say that being in AFA definitely gave me a platform to improve myself and monitor my growth, with the help of expert teachers.

Ishita Kirti
NID AIR 2 - Universal Design (2022)
NIFT AIR 4
NIFT DELHI M.DES

Student's Speaks

I am SreeTheertha A from Kerala. I got shortlisted for B.Des at NID Kurukshetra. I didn't know much about the pattern of design entrance examinations when I started my preparations. AFA guided me about the syllabus and questions pattern from the very beginning. The online study materials, videos and previous year paper helped me a lot in the preparation. All of my works were evaluated by the faculties which gave me an insight into my strengths and weaknesses. Rekha Ma'am always listened to my queries and cleared my doubts on time. AFA really helped me in my entrance preparation journey.

SreeTheertha A
NID B.DES
Kurukshetra
2022

NID MAINS TEST

D] WIRE MOULDING: Constructing 3D mechanisms by twisting and turning wire material like G wire, Alminium, SS wire, etc.

For eg. Ques. Create two things with the given wire and write conversation between them.

FROG: IT'S RAINING SO HARD! BROTHER MUSHROOM, DO YOU MIND IF I TAKE SHELTER UNDER YOU?

MUSHROOM: OFCOURSE NOT BROTHER FROG. PLEASE JOIN ME.

FROG: THANK YOU VERY MUCH. PLEASE LET ME KNOW IF THERE IS ANYTHING I COULD EVER DO FOR YOU.

MUSHROOM: THERE IS ACTUALLY SOMETHING WHICH HAS BEEN BOTHERING ME FOR SOMETIME. A GANG OF FLIES ALWAYS KEEP NAGGING ME AND SINCE I DON'T HAVE ANY LIMBS I CAN'T DO ANYTHING ABOUT IT. COULD YOU PLEASE SCARE THEM AWAY?

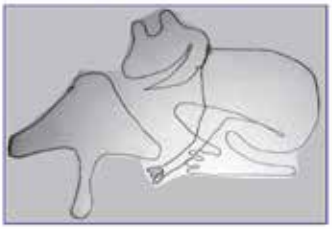
FROG: OFCOURSE, NO PROBLEM. JUST LET THEM BOTHER YOU ONCE MORE AND I WILL HANDLE THEM. ACTUALLY I'M FEELING A LITTLE HUNGRY, SO I MIGHT JUST DO SOMETHING A LITTLE MORE THAN SCARING THEM AWAY (LAUGHS).

They will show you interior of a house for 3 seconds and can ask
a. How many bottles were there ?
b. What was the colour of bottle ?
c. How many steel containers were there ?
d. How many windows did you see in the picture ? etc.

SIMILAR CLIPPINGS MAY BE SHOWN FOR 10 SECONDS AND FOLLOWING QUESTIONS MAY BE ASKED

A) HOW MAY COLOURS ARE USED?
B) COPY THE GRID IN THE SHEET PROVIDED.
C) HOW MANY SQUARE BOXES ARE THERE?
D) REPLACE ALL BLUE WITH PINK AND VICE VERSA

FROG AND MUSHROOM



SUGGESTED ANSWER

Head Gear using wire and marbles with no adhesive.

F] AUDIO/ VISUAL TEST: A candidate has to listen to an audio or may be shown a video clipping for a minute and then he/ she is to answer a series of questions based on them. Eg. VIDEO: They can show the video of Sole of shoe, Dash board, Skin of elephant , etc. AUDIO: They can make you listen to the Bleating of goat, Screaming of a bird, cutting of paper with scissor, etc.

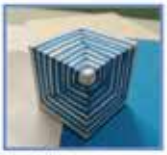
Describe the mood and colour scheme of the art work along with a suitable title

NID conducts 1-2 days workshop after the declaration of the results of DAT-Design Aptitude Test. This workshop is known as Studio Test. It includes a series of test.

A. DOODLE EXERCISE
B. 3D MODEL MAKING
C. CLAY MODELING
D. WIRE MOULDING
E. THEMATIC/ PSYCHOMETRIC TEST
F. AUDIO/ VISUAL TEST
G. INTERVIEW AND PORTFOLIO

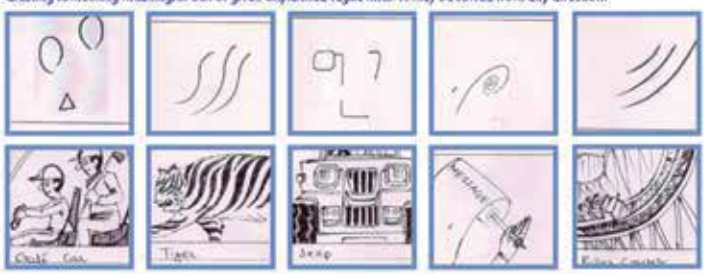
Design a stand for carrying two cups using straws and wire (Cutting and pasting not allowed)

Design a necklace using marbles, wire and rags. Cutting and pasting not allowed)



Create illusion using papers

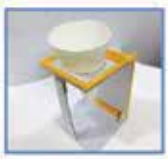
A. DOODLE EXERCISE : Doodle is scribblingaway absent mindedly and often these doodles can carry a great deal of meaning. And for the artist can sometimes be the source of inspiration for serious artwork.
Creating something meaningful out of given unplanned vague lines. It may be solved from any direction.



Design a toy which makes sound by using plastic sheet, plastic balls, wool and tooth picks.

Design a Sea Saw using newspaper strips and rubber bands. No adhesive is to be used and cutting is not allowed

Sample Solution Of NID Mains By AfAians



3 D MODEL MAKING

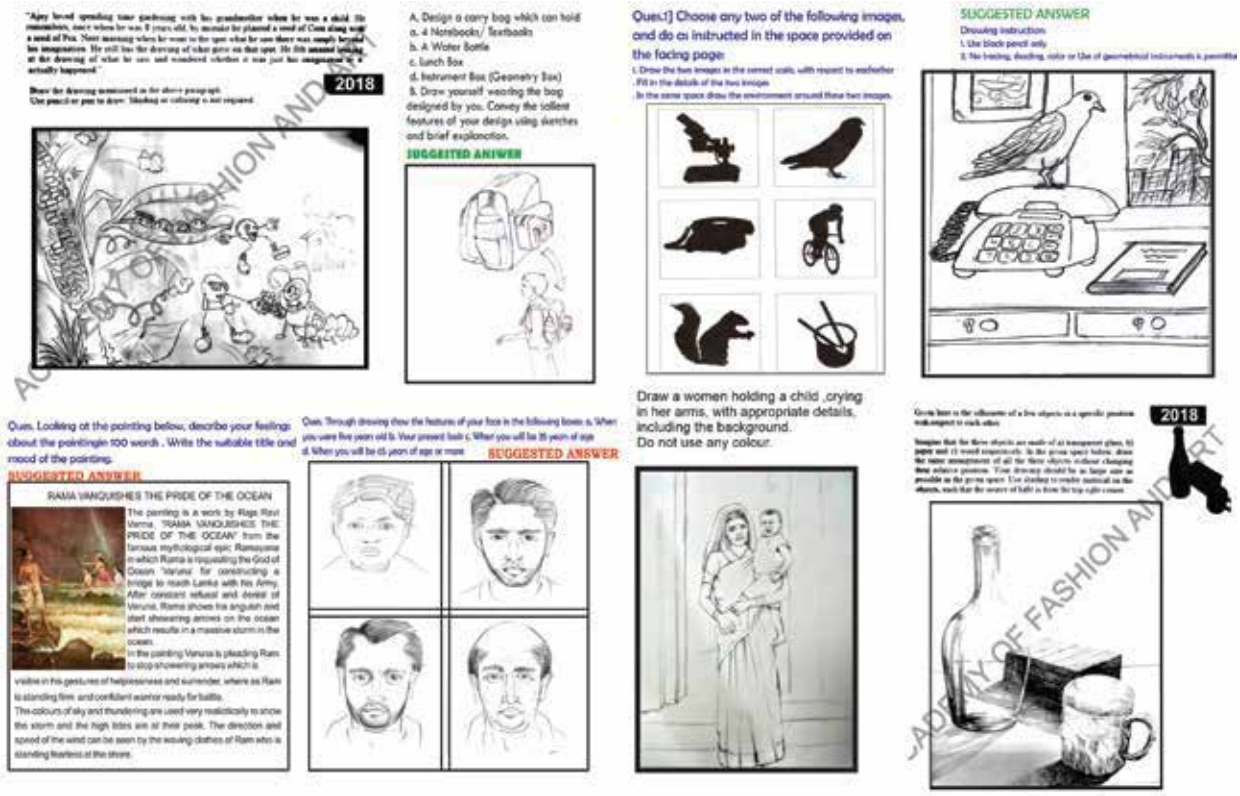
Design a chair (Do not use any adhesive) using match sticks, beads, u clips and straws

Replicate a rose using clay.

Carve "Power" with given soap.

Show Unity using threads, toothpics, pastel sheet, oil and balls

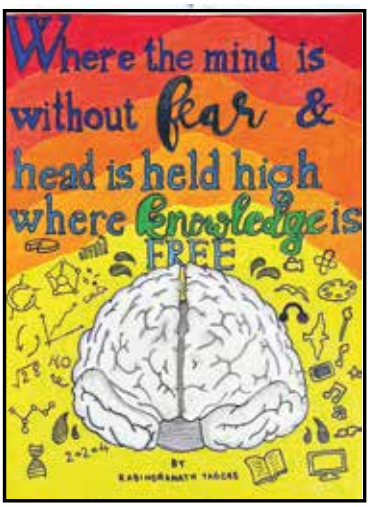
SAMPLE QUESTION OF NID

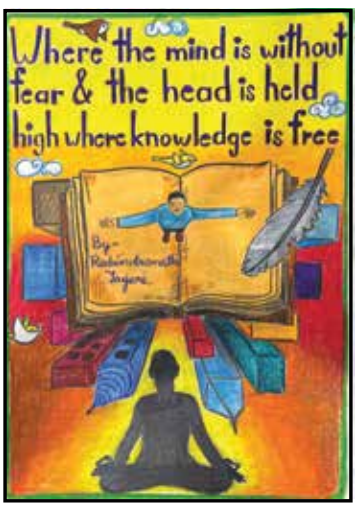


Visual creative solution to

Where the mind is without fear and the head is held high where knowledge is free

- Rabindranath Tagore





NIFT
(NATIONAL INSTITUTE OF FASHION TECHNOLOGY)
www.nift.ac.in

Set up in 1986, NIFT is the pioneering institute of fashion education in the country and has been in the vanguard of providing professional human resource to the textile and apparel industry. It was made a statutory institute in 2006 by an Act of the Indian Parliament with the President of India as 'Visitor' and has full-fledged campuses all across the country. Over the years NIFT has also been working as a knowledge service provider to the Union and State governments in the area of design development and positioning of handlooms and handicrafts.

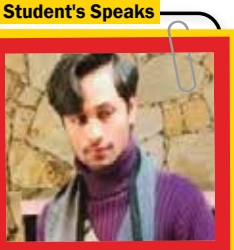
• Candidates who try to disclose their identity by writing any personal details or place any identification mark on the answer sheet shall be considered 'DISQUALIFIED' and the result of these candidates shall not be declared..

Student's Speaks



Lakshay Kashyap
NIFT GANDHINAGAR IN FASHION DESIGN

I'm from 2021-2022 batch of AFA and I got NIFT GANDHINAGAR IN FASHION DESIGN, while studying in afa I learned so much than expected ! I get to know and meet successful designers and how they achieve their goals in their life. The faculties were so helping and skilled from whom I upgraded my skills in undersanding about the strategies of clearing entrance exam. Apart from studies, being an AFAian was quite fun, I made so many good friends here. We went for some university visits which were so fun and so much to learn about the industry we are going to be part of.

NUMBER OF SEATS (ALL CATAGORIES)

BDES	BFTEC	MDES	MFM	MFTEC	TOTAL
3309	652	304	786	148	5199

ELIGIBILITY (B.DES, B.FTECH)

1. QUALIFYING AGE:

Maximum age should be less than 24 years as on 1st August of the year of admission. The upper age limit may be relaxed by a period of 5 (five) years for candidates of Scheduled Caste/ Scheduled Tribe/ Person with Disability (PWD) categories.

2. EDUCATIONAL QUALIFICATION:

The +2 level examination in the 10+2 pattern of examination of any recognized Central/ State Board of Secondary Examination, such as Central Board of Secondary Education / State Board New Delhi, and Council for Indian School of Certificate Examination, New Delhi.	A pass grade in the Senior Secondary School Examination conducted by the National Open School with a minimum of five subjects	Any Public School/Board/University Examination in India or in foreign countries recognized by the Association of Indian Universities as equivalent to 10+2 system	General Certificate Education (GCE) Examination (London/Cambridge/Sri-Lanka) at the Advanced (A) level/ International Baccalaureate (IB)

BACHELOR OF FASHION TECHNOLOGY (APPAREL PRODUCTION)

Same as with Physics and Mathematics as compulsory subjects.

MASTERS PROGRAMMES

A. QUALIFYING AGE: NO AGE LIMIT

B. EDUCATIONAL QUALIFICATION

M.DES (MASTER OF DESIGN)	M.F.M (MASTER OF FASHION MANAGEMENT)	M.FTECH (MASTER OF FASHION TECHNOLOGY)
Undergraduate Degree in any discipline from any Institute / University recognized by law in India or	Undergraduate Degree in any discipline from any Institute / University recognized by law in India.	B.FTech. from National Institute of Fashion Technology (NIFT)
Undergraduate Diploma of minimum three years duration from NIFT / NID.	Undergraduate Diploma of minimum three years duration from NIFT / NID.	B.E / B.Tech. from any Institute / University recognized by law in India.

Note: Master of Design (M.Des.) is an advanced course that demands an understanding of fundamentals in design and presupposes that candidates would be familiar with the basic skills and theories for successful completion of the programme. The course would not provide any basic knowledge and skill development in design as a part of its Master's programme.

IMPORTANT NOTE

1. Candidates appearing in the qualifying examination are also eligible to apply provided:

(a) That they produce a proof of having acquired the minimum prescribed qualifications at the time of counselling/ admission.

(b) If the 12th class/final year/final semester (as the case may be) result of qualifying degree/certificate examination is not declared by the concerned Board/ University till the date of counselling/ admission, his/her admission in such case will be strictly provisional.

RESERVATION OF SEATS

SC	ST	OBC-NCL	GEN-EWS	PWD*
15%	7.5%	27%	10%	5%

**Horizontal reservation for Person with Disability (PWD) (with 40% or more disability) cutting across all sections i.e. SCs, STs, OBCs Non-Creamy and General category. Campus and programme will be allotted on rotation, at NIFT's discretion.*

Design a Bag for a Marriage Ceremony

Student's Speaks

AFA is an amazing institution which will help you hone the passion inside you. The faculty is great and teaches with full passion. The classes are held regularly and doubts are taken as well. the syllabus is completed well in time and revision.

Tests were held from the beginning both for GAT and CAT. Test series in the end proved to be very fruitful. The study material provided was up to date and precise. 10/10 recommendation.

I got an AIR 230 in NIFT, the first attempt in very less time.

Shaivi Mukhi
NIFT
HYDERABAD
2021

NIFT SITUATION TEST

Situation test is the second round of test conducted by NIFT. The shortlisted students after their selection in GAT and CAT appear for this test. This test is about 3D model making by manipulating different material provided by the institute itself within the time limit. The material may be different types of papers, thermocol, card board, ice cream sticks, straw, strings, wire etc.
This test plays a very important role in the final selection as it contains 20% of the total weightage. Each model must be accompanied by a caption and a write up of 50-100 words. Duration of this exam is for 2 hours held at NIFT campus only.
THEY WANT STUDENT TO CREATE A 3D MODEL WHICH SHOULD BE ATTRACTIVE, APPEALING, CREATIVE, UNIQUENESS OF IDEAS, DEDICATION, ABILITY AND OVERALL WELL PRESENTED.
THIS TEST PLAYS VERY IMPORTANT ROLE IN THE FINAL SELECTION AS IT CONTAINS 20% OF THE TOTAL WEIGHTAGE. EACH MODEL MUST BE ACCOMPANIED BY A CAPTION AND A WRITE UP OF 60-100 WORDS.

Situation Test: Utility Tool for Gardener

Materials: Mount board, pastel sheets, alpini, toothpicks, Fevicol

This utility tool for a gardener are meant to simulate expandable shears, which can help him/her to reach tall or far off branches and trim them with minimal effort. The bright colour scheme not only makes it look attractive, but also helps it to be easily visible in the tool box or shed.

Situation test: Memento/Souvenir for 'teacher of the year'

Materials: Mount Board, corrugated cardboard, pastel sheet, glazed paper, thread, Fevicol

This memento/souvenir for "teacher of the year" signifies how teachers progressively guide us, from the lowest level of education, to the highest, in the same way a stack of books rises up.

Situation Test: Coffee Table for Couple

Materials: Mount board, pastel sheet, silver paper, cartridge sheet, plastic straws, rubber bands, Fevicol

This coffee table is inspired by nature. The table simulates a flower with its petal form, while the chain resemble the halves of a butterfly, signifying how two people come together in a relationship.

Situation Test: Doctor's/Nurse's Workplace

Materials: mount board, cartridge sheet, pastel sheet, colored glazed papers, wire, toothpicks, straws, Fevicol, glue

This model depicts a doctor's/ nurse's workplace with requisite furnishings and implements such as a bed for the patient, IV drip stand, first aid box, cabinet and X ray viewer. The room is provided with fresh air and natural light through windows.

UCEED
(UNDERGRADUATE COMMON ENTRANCE EXAM FOR DESIGN)
www.uceed.in

UCEED is conducted by Indian Institute of Technology Bombay. UCEED is open to all nationals (Indian/Foreign). Candidates seeking admission to the Bachelor Degree programme in Design (BDes) at Indian Institute of Technology Bombay (IITB), Indian Institute of Technology Delhi (IITD), Indian Institute of Technology Guwahati (IITG), Indian Institute of Technology Hyderabad (IITH), and Indian Institute of Information Technology Design and Manufacturing Jabalpur (IIITDMJ) must appear for UCEED. Candidates should note that the mere appearance in UCEED or being in the rank list neither guarantees nor provides any automatic entitlement to admission. UCEED qualified candidates will have to apply separately for B. Des admissions as per the prescribed procedure. Admissions shall be made in order of merit in each category. UCEED score is valid only for admission to one current academic year.

PART 1: ELIGIBILITY CRITERIA FOR APPEARING IN UCEED

A candidate, including a foreign national, must fulfil each and every one of the following three criteria to appear in UCEED

Criterion 1 – Age limit:

The candidate should have been born on or after October 1, 1998 if belonging to the OPEN/EWS/OBC-NCL category and born on or after October 1, 1993 if belonging to the SC, ST or PwD category.

Criterion 2 – Number of attempts:

A candidate can attempt UCEED for a maximum of two times and that too in consecutive years. Note that UCEED score is valid for one year, and only for admissions in the same corresponding academic year.

Criterion 3 – Qualifying examination:

The candidate should have passed in all subjects in the qualifying examination (Class XII or equivalent) in 2022, OR should be appearing for the qualifying examination for the first time in 2023 in order to be eligible for attempting UCEED 2023.

Students from ALL STREAMS (Science, Commerce, and Arts & Humanities) are eligible. Those who appeared for the first time in their qualifying examination (Class XII) in 2021 or earlier are NOT eligible to appear in UCEED 2023.

QUESTION PAPER

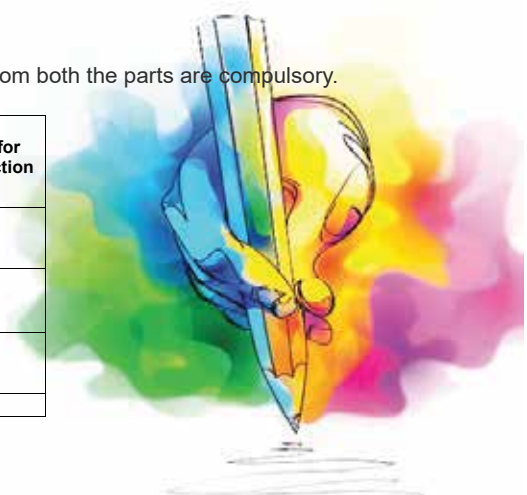
There will be ONE question paper of total 3 hours duration.

The question paper will be in English.

The question paper will carry a total of 300 marks.

The question paper will consist of two parts: Part A and Part B. Questions from both the parts are compulsory.

Section	Type of Question	Number of Question	Marks for correct answer	Marks for wrong answer	Marks for question not attempted	Total Marks for the section
1.	NAT Numerical Answer Type	14	4	0	0	56
2.	MSQ - Multiple Select Ques.	15	Partial marking	-1	0	60
3.	MCQ - Multiple Choice Ques.	28	3	0.71	0	84
Total		57				200



PART-B (Total marks: 100 marks; Maximum time: 1 hr) Pen and Paper based Test Mandatory		
Type of Question	Number of Question	Total Marks
Sketching	1	50
Design Aptitude	1	50

Part-B will have questions on the following topics:
Drawing: Ability to draw products, people or scenes in proportion with good line quality, composition, proportion, perspective and shading.
Design aptitude: Capability to practically and appropriately respond to problems/situations with ingenuity and empathy.

SYLLABUS

The exam will have questions from the following six topics:

Visualization and spatial ability:

Pictorial and diagrammatic questions to test, understanding of transformation and/or manipulation of 2D shapes and 3D objects and their spatial relationships, knowledge of practical and everyday mechanical and scientific concepts. Observation and design sensitivity Ability to detect concealed properties in ordinary things, people, situations, and events, and thinking critically about them. Applying attention to certain details, analysing, reasoning, classifying, inferring and predicting. Ability to discern subtle differences in visual properties and aesthetic outcomes.

Environmental and social awareness:

General awareness of environmental factors such as climate, population, water, vegetation, pollution, weather, natural resources etc., and their implications on the design of products, images, infrastructure and environment. Awareness of social and cultural connection with design, history of the designed artefact, and socially responsible and environmentally sustainable design responses. History of art, sculpture and literature.

Analytical and logical reasoning:

Ability to look at information, be it qualitative or quantitative in nature, and discern patterns within the information. Ability to weigh opinions, arguments or solutions against appropriate criteria. Ability to check for hidden bias or hidden assumptions and whether evidence and argument support conclusions. Ability to use logic and structured thinking to deduce from a short passage, which of a number of statements is the most accurate response to a posed question. Data Interpretation, brainteasers, and patterns.

Language and creativity:

Ability to understand and use Standard English. Reading comprehension, knowledge of English grammar. Ability to think creatively in terms of alternatives, ability to distinguish innovative options and think out of the box.

Design thinking and problem solving:

Ability to use visual analogies, metaphors, signs and symbols.
Ability to understand complexity, identify problem, generate alternatives, evaluate options and select solutions

Part-B will have question from the following topic:

Drawing: Ability to draw products, people or scenes in proportion with good line quality, composition, proportion, perspective and shading.

* PWD reservations @ 5% (total 2 seats in all above programmes) will be horizontal (i.e. PWD candidates will consume seats from their birth category quota)

SEATS AVAILABLE FOR ACADEMIC YEAR 2024-2025

	OPEN	EWS	OBC-NCL	SC	ST	Total
IIT Bombay	15	4	10	5	3	37*

IIITDM Jabalpur	26	7	18	10	5	66
TOTAL	80	21	54	29	15	199

CEED
(COMMON ENTRANCE EXAM FOR DESIGN)
ww.ceed.iitb.ac.in

The objective of the Common Entrance Exam for Design (CEED) is to assess the candidate's aptitude for design involving visual perception ability, drawing skills, logical reasoning, creativity, communication, and problem solving skills. CEED is conducted by IIT Bombay. It is a qualifying examination for admission to Master of Design (MDes) programmes at IISc Bangalore, IIT Bombay, IIT Delhi, IIT Guwahati, IIT Hyderabad, IIT Kanpur and IIITDM Jabalpur, and to Ph.Dprogrammes in Design at IISc Bangalore, IIT Bombay, IIT Guwahati, IIT Hyderabad, and IIT Kanpur. Qualifying in CEED alone does not guarantee admission to any of these programmes. Admitting institutes may conduct further tests and / or interviews for the final selection / admission. A CEED score does NOT Guarantee admission. Admitting Institutes will also verify the eligibility, the category certificates and other documents along with the CEED score. The CEED score is valid for a period of one year from the date of declaration of the result.

ELIGIBILITY

Candidates must have completed a degree/diploma/post graduate degree programme of minimum THREE years (after 10+2 level), or must be appearing for the final examination of such a program by July 2023, or must have passed the GD Arts diploma programme (10+5 level) by July 2023.
Note that the eligibility criteria for admission to various institutes may differ from the eligibility criteria for appearing for CEED. Before applying for CEED, candidates are advised to check whether they meet the required eligibility criteria for admission to various institutes.
There is no age limit to appear for CEED. Also, a candidate can appear for CEED any number of times.

SYLLABUS CEED WILL BE IN TWO PARTS:

Part A will have questions related to these topics:

• **Visualization and spatial ability:** Pictorial and diagrammatic questions to test the understanding of transformation and / or manipulation of 2D shapes and 3D objects and their spatial relationships.

• **Environmental and social awareness:** General awareness of environmental factors such as climate, population, water, vegetation, pollution, weather, natural resources etc., and their implications on the design of products, images, infrastructure and environment. Awareness of design terminologies, social and cultural connection with design, history of the designed artefact, and socially responsible and environmentally sustainable design responses. History of art, sculpture and literature.

• **Analytical and logical reasoning:** Ability to analyze given information logically and select the most appropriate solutions. Ability to weigh opinions, arguments or solutions against appropriate criteria. Ability to use logic and structured thinking to deduce from a short passage, which of a number of statements is the most accurate response to a posed question.

• **Language and creativity:** Ability to understand passages in commonly used English language. Ability to think creatively in terms of alternatives, ability to distinguish innovative options and think out of the box. • Design thinking and problem solving: Ability to understand the context, the users and the constraints and select the most appropriate solution for a given design problem.

• **Observation and design sensitivity:** Ability to detect concealed properties in day to day life and think critically about them. Ability to discern subtle differences in visual properties and aesthetic outcomes.

Part B of CEED will have questions related to these topics:

• **Drawing:** Ability to draw products, people or scenes in proportion with good line quality, composition, proportion, perspective, and shading.

• **Creativity:** Ability to think out of the box and come up with unique as well as diverse solutions.

• **Communication skills:** Ability to communicate concepts and ideas clearly with the help of text and visuals.

• **Problem identification skills:** Ability to understand the user and the context, knowledge of properties of materials and their appropriate use in design, etc.

EXAMINATION

The examination will consist of two parts, Part A and Part B. Candidates must attempt questions from both the parts.

PART-A, 60 Minutes, Medium- English, Computer Based Test

Section	Number of Question	Question Number	Marks if Correct	Marks if Wrong	Marks if not Attempted	Total Marks
NAT	8	1-8	4	0	0	32
MSQ	10	9-18	Partial marking	-1	0	40
MCQ	26	19-44	3	-0.5	0	78
Total	44	1-44				150

Part-B, 120 Minutes, Pen and paper Based Test

Section	Number of Question	Question Number	Marks
Sketching	1	1	20
Creativity	1	2	20
Form Sensitivity	1	3	20
Visual Sensitivity	1	4	20
Problem Identification	1	5	20
Total	5	1-5	100

Part B consists of questions that are aimed at testing design, drawing and writing skills. The questions in Part B will be displayed on the computer screen and the answers are to be written in the answer book provided by the invigilator (NOT into the Computer).

Shortlisting:

Marks obtained in Part-A will be used to shortlist candidates.

Part-B answer books will be evaluated manually for ONLY the candidates who are shortlisted from Part-A. Part-B of CEED is a subjective question and there is no model solution for it. It will be evaluated holistically on a set of criteria given in the question.

There is NO provision for RE-EVALUATION in CEED. Request for re-evaluation will NOT be entertained under any circumstances. The final CEED score will be calculated by giving 25% weightage to marks obtained in Part-A and 75% weightage to scores obtained in Part-B after the above calculation.

ARCHITECTURE

Architecture is the profession of designing buildings, open areas, communities, and other artificial constructions and environments, usually with some regard to aesthetic effect. Architecture often includes design or selection of furnishings and decorations, supervision of construction work, and the examination, restoration, or remodeling of existing buildings. As per the most popular definition Architecture: “The art or science of building; esp. the art or practice of designing and building edifices for human use, taking both aesthetic and practical factors into account.” Architectural design is primarily driven by the holistically creative manipulation of mass, space, volume, texture, light, shadow, materials, program, and Realistic elements such as cost, construction and technology, in order to achieve an end which is aesthetic, functional and often artistic. This distinguishes Architecture from engineering design, which is usually driven primarily by the creative application of mathematical and scientific principles. To be a part of Architecture Course in India one has to appear in either JEE Mains PAPER II or NATA-National Aptitude Test for Architecture. These exams are monitored and administered under the guidance of Council of Architecture, India.

NATA (NATIONAL APTITUDE TEST IN ARCHITECTURE)

www.nata.in

National Aptitude Test in Architecture (NATA) is being conducted by COA since 2006, in terms of the provisions of CoA (Minimum Standards of Architectural Education) Regulations, 1983, published in the Gazette of India. National Aptitude test in Architecture or NATA is facilitated by the council of Architecture (CoA). CoA has further decided to conduct the test twice a year, thus giving opportunity to those students who miss out the first test due to some reason or other and to improve upon their NATA score in the first test by re-appearing the second test and provide them admissions to the 5 year B.Arch, Degree Program at all recognized Institutions all over country. NATA measures the aptitude of the applicant for specific field of study, i.e. Architecture. The test makes an assessment of drawing and observation skills, sense of proportion, aesthetic sensitivity, Mathematics at 10+2 level and critical thinking ability that have been acquired by the candidate over the past few years and are related to the specific field of study.

NATA – 2 Parts

PART A (MATHS AND GENERAL APTITUDE – COMPUTER MODE) - 60 Mins (No negative Marking)
PART B (DRAWING – PEN PAPER MODE) – 120 Mins

The exam will conduct 2 times in a year through online mode.

Date & Time of Examination	Subject	TIME	Distribution of Marks
APRIL /JULY SUNDAY	Part A (ONLINE)	3HR	Questions 125 Marks 200
	Part B (ONLINE)		20 QUESTIONS x 2=40

SYLLABUS

Outline of Aptitude Test The aptitude test will comprise of questions that could be of the
Multiple-Choice type (MCQ),
Multiple Select type (MSQ),
Preferential Choice type (PCQ) and
Numerical Answer type (NAQ)
Match the following type (MFQ)

The questions will carry either 1 mark,2 marks or 3 marks and 125 questions have to be answered in 180 minutes.
The medium of Aptitude test will be the English language.
The aptitude of the candidate will be assessed using some or all of the following techniques:

- **Diagrammatic Reasoning** – Tests the ability of logical reasoning, using diagrams and scenarios
- **Numerical Reasoning** – Tests mathematical ability through simple problems
- **Verbal Reasoning** – Assesses the ability to assess verbal logic.
- **Inductive Reasoning** – Tests the ability to see patterns and analyse given data
- **Situational Judgment** – Tests problem-solving ability.
- **Logical Reasoning** – Tests ability to recognise patterns, sequences or relationships between shapes and imagery.

• **Abstract Reasoning** – Will assess general knowledge, and ability to utilise knowledge in new situations. Questions could be asked in various topics that assess candidates on basic concepts in mathematics, physics and geometry, language and interpretation, elements and principles of design, aesthetic sensitivity, colour theory, lateral thinking and logical reasoning, visual perception and cognition, graphics and imagery, building anatomy and architectural vocabulary, basic techniques of building construction and knowledge of material, general knowledge and current affairs, etc. and are may not be limited to those outlined.

GENERAL APTITUDE

General - Objects, texture related to architecture and built environment. Interpretation of pictorial compositions, visualizing three-dimensional objects from two-dimensional drawing. Visualizing different sides of 3D objects. Analytical reasoning, mental ability (visual, numerical and verbal), General awareness of national/ International architects and famous architectural creations.

Mathematical reasoning - Statements, logical operations like and, or, if and only if, implies, implied by. Understanding of tautology, converse, contradiction and contrapositive

Sets and Relations - Idea of sets, subsets, power set, complement, union, intersection and difference of sets, Venn diagram, De Morgan's Laws, Relation and its properties. Equivalence relation — definition and elementary examples.

DRAWING TEST

The drawing aptitude is judged on the following aspects –

• Ability to sketch a given object proportionately and rendering the same in visually appealing manner;
• Visualizing and drawing the effects of light on the object and shadows cast on surroundings;
• Sense of perspective drawing;
• Combining and composing given three dimensional elements to form a building or structural form;
• Creating interesting two dimensional composition using given shapes and forms;
• Creating visual harmony using colours in given composition;
• Understanding of scale and proportions;
• Drawing from memory through pencil sketch on themes from day to day experiences.
• Geometric composition, shape, building forms and elements, aesthetics, colour texture, harmony and contrast.
• Conceptualization and Visualization through structuring objects in memory.
• Drawing of patterns - both geometrical and abstract.
• Form transformations in 2D and 3D like union, subtraction, rotation, surfaces and volumes.
• Generating plan, elevation and 3D views of objects.
• Creating 2D and 3D compositions using given shape and forms.
• Sketching of urbanscape and landscape.

ELIGIBILITY CRITERIA

Candidates who have completed their 10 + 2 examination with Physics, Chemistry and Mathematics or 10+ 3 Diploma with Mathematics as subject of study can appear for NATA 2021. Candidates appearing for 10+2 examination with Physics, Chemistry and Mathematics as subjects of study or 10+3 Diploma with Mathematics in the current year may also provisionally appear for NATA.

JEE PAPER-2

About JEE (Main) is conducted twice before admissions in the next academic session. The students will have following benefits of the new pattern:

▪ This will give one more opportunity to the students to improve their scores in examination if they fail to give their best in first attempt without wasting their whole academic year.
▪ In first attempt, the students will get a first-hand experience of taking an examination and to know their mistakes which they can improve while attempting for the second time.
▪ This will reduce chances of dropping a year and droppers would not have to waste a full year.

- If anyone missed the examination due to reasons beyond control, then he/she won't have to wait for one full year.
- The student's best of the two NTA scores will be considered for preparation of Merit List/ Ranking.

MODE OF EXAMINATION

Subject combinations for each paper, type of questions in each paper and mode of examination is given in the table below:

PAPER	SUBJECTS	TYPE OF QUESTIONS	MODE OF EXAMINATION
B. Arch	Mathematics – Part I	Objective Type - Multiple Choice Questions (MCQs) & Questions for which answer is a numerical value	"Computer Based Test (CBT)" mode only
	Aptitude Test – Part II	Objective Type - Multiple Choice Questions (MCQs)	
	Drawing Test – Part III	Questions to test drawing aptitude	"Pen & Paper Based" (offline) mode to be attempted on A4 size Drawing sheet
B. Planning	Mathematics – Part I	Objective Type - Multiple Choice Questions (MCQs) & Questions for which answer is a numerical value	"Computer Based Test (CBT)" mode only
	Aptitude Test – Part II	Objective Type - Multiple Choice Questions (MCQs)	
	Planning Based Questions - Part III	Objective Type - Multiple Choice Questions (MCQs)	

EXAMINATION PATTERN

1	Dates of Examination	FEBRUARY 2021 AND MAY 2021		
2	Allocation of Date and shift	Random		
3	Medium of Question Paper	Candidates have to opt language of QP in the Online Application Form		
		English & Hindi	All Centre Cities	
		English, Hindi and Gujarati	Centre Cities in Gujarat, Daman & Diu and Dadra & Nagar Haveli	
4	Subject wise distribution of Questions, Total Number of Questions and Marks –B ARCH	Subject	No of Questions	Marks
		Mathematics-Part I	(20+10*)	100
		Aptitude Test-Part II	50	200
		Drawing Test –Part III	02	100
		Total	82	400
		*20 questions will be MCQs and 5 questions will have answer to be filled as numerical value.		
5	Subject wise distribution of Questions, Total Number of Questions and Marks –B PLANNING	Subject	No of Questions	Marks
		Mathematics-Part I	(20+10*)	100
		Aptitude Test-Part II	50	200
		Planning Based Objective Type MCQs –Part III	25	100
		Total	105	400
		20 questions will be MCQs and 5 questions will have answer to be filled as numerical value.		
6	(a) Marking Scheme for MCQs	Correct Answer		Four mark (+4)
		Incorrect Answer/Multiple Answer		Minus one mark (-1)
		Unanswered /Marked for Review		No mark (0)
	(b) Marking Scheme for questions for which answer is a Numerical value	Correct Answer		Four mark (+4)
		Incorrect Answer/Multiple Answer		Minus one mark (-1)
		Unanswered /Marked for Review		No mark (0)
	(c) Marking Scheme for Drawing Test –Part III	Two questions to be evaluated out of 100 marks.		
7	Method of determining merit	Conversion of raw score in Mathematics, Aptitude Test, Drawing Test and Total into NTA Scores. Overall merit shall be prepared by merging NTA Scores of all shifts of all days.		
8	Method of resolving ties	Tie between candidates obtaining equal Total NTA scores in B.Arch will be resolved in following descending order: ▪ NTA score in Mathematics ▪ NTA score in Aptitude Test ▪ NTA score in Drawing Test ▪ Candidates having lesser number of negative responses in the paper ▪ Candidates older in age		

Admission to NITs, IIITs, CFTIs, SFIs, State Engineering Colleges for Participating States and Other Participating Institutions

Eligibility for Admission to NITs, IIITs and CFTIs participating through *Central Seat Allocation Board:*

Admission to B.E. / B.Tech / B.Arch / B.Planning. Courses in NITs, IIITs and CFTIs participating though Central Seat Allocation Board will be based on All India Rank subject to the condition that the candidate should have secured at least 75% marks in the 12thclass examination, or be in the top 20 percentile in the 12th class / Qualifying examination conducted by the respective Boards. For SC/ST candidates the qualifying marks would be 65% in the 12th class / qualifying examination.
The eligibility criteria decided by the Council of Architecture for admission to B.Arch. course other than NITs, IIITs, and CFTIs: "No candidate shall be admitted to architecture course unless she/he has passed an examination at the end of the qualifying examination with 50% marks in Physics, Chemistry and Mathematics and also 50% marks in aggregate of the qualifying examination".

For B.Planning, the candidates should have passed qualifying examination with 50 % marks in Mathematics and 50% marks in aggregate of the qualifying examination.

Subject combinations required in the qualifying examination for admission to B.E./B.Tech, B.Arch and B.Planning Courses in NITs, IIITs, and other CFTIs shall be as under.

B.ARCH- Passed qualifying examination with Mathematics, Physics, and Chemistry.
B PLANNING- Passed qualifying examination with Mathematics.

COLLEGES OF FINE ARTS

"Fine art is a visual art considered to have been created primarily for aesthetic purpose and judged for its beauty and meaningfullnes, specifically, painting, sculpture, drawing, watercolor, graphics and architecture."

1 COLLEGE OF ART DELHI

College of Art is an institution established in 1942 for advanced training in Visual Art, creative and applied, leading to the Bachelor of Fine Art Course and Post Graduate Course of Master in Fine Art.

Fine Art today is a multi-dimensional process reaching nearly all aspects of nature and humanilty in search of form, expression and affirmation. The concerns of the artist spans the uniqueness of his/her own vision, the formative proces-sess of life experience, and the complexitiy of his/her participation . Factors motivating Design range from the common needs for food, shelter, clothing and communication to the most esoteric desires of esteem and self-realization. Design is a force that historically reflects both individual interpreattion, conditioned by changing environments and the restrains of materials and technologies of the time.

2 JAMIA MILLIA ISLAMIA DELHI

Faculty of Fine Arts was founded in 1951 as Art Institute by Abul Kalam who laid its foundation at Jamia Millia Islamia, New Delhi. Art was envisaged as an integral part of the life for the post-independent citizen of the country, thus the objective was to impart training of art and craft through modern concepts and methods of Art Education.
On December 3rd, 2007 it was declared as Faculty of Fine Arts. At present it comprises following departments:

1 Department of Applied Art
2 Department of Painting
3 Department of Sculpture
4 Department of Art Education
5 Department of Art History and Art Appreciation
6 Department of Graphic Art

3 BARODA SCHOOL OF FINE ART GUJRAT

ABOUT FACULTY

Faculty of Fine Arts was founded in June 1950. For the first time in independent India, a programme of study was introduced to offer UG/Diploma, PG/Post Diploma courses and research facilities. Art was envisaged as an integral part of life for the new citizens. The emphasis was laid on individuality through knowledge of Indian and Western traditions.

ELIGIBILITY

B.A. (Fine) in Painting, Sculpture, Applied Arts and Art History (Higher Secondary-XII Std.) of Gujarat state with 'English' as one of the subjects, subject to passing the prescribed aptitude test to be held by the Faculty of Fine Arts.

WHY AFA

ABOUT US

Academy of Fashion And Art was incorporated in 2007, with a main objective of imparting world class training programme to meet the demands of students who are aspiring for NIFT, NID,MIT,Pearl, Symbiosis, Sristhi, College of Art and other Art and Design Entrance Exams across India and abroad. In pursuit of which, Academy of Fashion and Art has to its credit a team of outstanding and dedicated faculty members, state-of-the-art infrastructure and winning methodology that provides comprehensive and systematic guidance to students "who aspire for nothing but the best."

Today,AFA has become synonymous with quality coaching for Design Entrance Exams across India. AFA has been consistently producing Top Rankers in NIFT/NID/PEARL/DCA and other design entrance exams in India every year.Our expertise in the trainning, thousands of selections for various Design Entrance Exams, collective annual student base of more than 1000 students every year and above all, trust of parents, has made us a household name for focused and quality coaching for NIFT/ NID.

1. STUDY MATERIAL

AFA offers comprehensive , result oriented study material designed by alumni of the top fashion and art institutes. The course material covers all areas tested in fashion and art entrance exams viz- GAT (General Aptitude Test-Reasoning, English, Quantitative Aptitude, General Awareness, CAT (Creative Aptitude Test) ,Studio Test, Situation Test, Portfolio Guidance, Personal Interview etc. It is original, relevant, self explanatory regularly updated by the subject experts .

2. FACULTY

AFA faculties are the aluminies of NID ,NIFT, DCA and other top art and design institutes. They are qualified, experienced and trained to enable students crack entrance exams with ease. Our dedicated instructors nurture the original creativity level of the students ,boost their morale to be the best and ensure that students follow a systematic and winning approach. Our teaching not only prepares students for entrance exams but also help them to adapt the competencies of design institutes after their selection.

3. LIBRARY

he library at AFA is the epitome of knowledge. It has exclusive collections of books on relevant subjects. These books are available for the student through out the year.

4. INFRASTRUCTURE

Classrooms are equipped with the latest and state-of-the –art infrastructure to allow visual and audio based learning.

5. PERFORMANCE EVALUATION

Both the students and faculty working environment is friendly and competitive. Regular Mock Tests and Assignments enhance design aspirants confidence.Regular review of the mocks uplift the knowledge level of the students. A separate dossier is maintained for each student. The shortcomings and strengths are meticulously recorded and the student is guided to improve accordingly.

6. DOUBT CLEARING

Doubt clearing sessions are conducted regularly and our experienced faculty personally attend to all the doubts of the student. This creates a cohesive learning environment, and increases the student's confidence to take on the exams.

7. EXPERIENCE

AFA has been consistently producing Top Ranker's in Design entrance exams in India every year. Our experience has enriched our skill to provide students with the best coaching. Today, AFA has become synonymous with quality coaching for NIFT/ NID/ PEARL/ SYMBIOSIS/ SRISHTI/ MIT/ COLLEGE OF ART and other Design Entrance Exams across India.

8. RESULT

AFA's formula for success is based on the belief that there is a winner in every student waiting to be discovered. Year after year, thousands of AFA students emerge victorious in Design Entrance Examinations. Invariably a significant number achieve top ranks, Rank-1 -Vivek Singh- NIFT-2011, Rank-1-Madhavi-NIFT-2010, Rank-5- Ojaswita Chandra-NIFT-2009, Rank-2- Sneha-NIFT-2008. AFA is India's No. 1 institution committed to your future.

9. ADMINISTRATION

AFA's administration with strict discipline is not only for students but also for teachers & admin staff to maintain impeccability. Everyone owns his/her job and produces best to his/ her ability.

OUR COURSES

CLASSROOM COACHING • POSTAL COACHING TEST SERIES

CURRICULUM STRUCTURE

The first half of the program is dedicated to learning the fundamentals: concept sketching, rendering, three-dimensional model making, presentation techniques. The final half is focused on putting the skills learned in the early terms into practice, refining skills, and finding appropriate solutions to a given question within the time limit. Greater emphasis is placed on design techniques and presentation during the second half of the curriculum.

PROGRAMS OFFERED CLASSROOM COACHING

A. WEEKEND REGULAR

This program is specially designed for students who are not comfortable joining a regular batch because of intense pressure of studies, board exams, pre boards etc. They normally join in the month of April-August and continues till February for the first round of test and rejoin in the month of April for the second round of test. It is 250 hrs program covering the complete syllabus of NIFT/ NID/ PEARL/ NATA and other design institutes including classes on CAT, GAT, SITUATION TEST, STUDIO TEST, PORTFOLIO GUIDANCE and PERSONAL INTERVIEW with the study material and MOCK TESTS.

B. WEEKDAY REGULAR

This program is specially designed for the students, desirous of devoting more time for the preparation. They normally join in the month of April - August and continues till Febuary for the first round of test and rejoin in the month of April for the second round of test. It is 250 hrs program covering the complete syllabus of NIFT/ NID/ PEARL/ NATA and other design institutes including classes on CAT, GAT, SITUATION TEST, STUDIO TEST, PORTFOLIO GUIDANCE and PERSONAL INTERVIEW with the study material and MOCK TESTS.

C. SUMMER EXPRESS

Students staying at distant places and school/ college going students aiming at utilising their summer breaks join this course. This course covers the entire syllabus of NIFT/ NID/ CEED/ NATA and other design Institutes with special reference to Creative Aptitude Test and a general overview of General Aptitude Test. This program is of great benefit to Postal students who may assess themselves with the assistance of AFA faculties and get appropriate feed back.

D. WINTER EXPRESS

All creative design aspirants who could not prepare for the entrance and are desirous of revising the courseware join this short term crash course in the month of December. This is the perfect time joining this course as NID/ NIFT/ CEED exams are approaching. A complete overview and practice of Creative Aptitude Test is done with special reference to previous years questions and pattern of the entrance.

E. CAT SPECIAL

This course comprises of creative classes covering the entire syllabus of NIFT/ NID/ CEED/ PEARL/ SRISHTI/ MIT/ SYMBIOSIS/ NATA.

F. SITUATION/STUDIO TEST WORKSHOPS

AFA conducts a specialized workshops FOR SITUATION TEST/ STUDIO TEST in the month of April every year. Situation/

Studio test becomes very important for the students who cleared the first round of test in NIFT/ NID as it holds 20% weightage. This test comprises of 3D model making ,Thematic/ Psychometric Test, Audio/ Video Test, Portfolio Review and Personal Interview. Situation/ Studio Test plays a major role in the final selection of NID, MIT, SRISHTI, SYMBIOSIS, CEED.

WE OFFER 10 DAYS WORKSHOP FOR THE SAME, HIGHLIGHTING THE COURSE FEATURES AS MENTIONED BELOW.

- Assistance in planning the structure of 3D model .
- Innovative themes, development of aesthetic appeal.
- Creative and clever manipulation of the variety of material-card board, papers, straw, clay, cloth, strings etc.
- Tips on usage of different material.
- 3D model preparation on the pattern of NIFT/ NID.
- Structure designed and delivered by NID/ NIFT and other top ART/ Fashion institutes Alumni.
- Special classes and assistance for NID's Portfolio and Interview.
- 3D model preparation based on previous years questions and materials given.
- Regular assistance even after the course till the actual entrance.
- Assessment and analysis of work individually.
- Special arrangement for Thematic Test and Audio/Video Test.
- Presentation of creative write up.
- Free material Kit.

G] OTHER DESIGN INSTITUTE EXPRESS PROGRAM

We conduct special crash course for the students interested in other design institutes-like PEARL, IIAD, UID, ARCH ACADEMY, THE DESIGN VILLAGE, CHITAKARA, SYMBIOSIS AND NATA etc. in the month of April. It is a two month program normally conducted 4-5 days a week for 4-5 hrs per day covering complete CAT, GAT with the study material and full length Mock Test. We also conducts Situation/Studio Test workshops for the same.

H] ART COLLEGE SPECIAL

AFA conducts classes for College of Art-Delhi, Baroda, J J School of Art in the month of April. We offer three months training according to the requirements of the entrance .

I] PORTFOLIO PREPARATION

Submitting a portfolio of your creative work, will play a determining factor in your admission process in most of the design schools for graduate & undergraduate programs in India and abroad. It judges a student's interest and inclination towards the field he has selected. A portfolio is a proof of your creative abilities that would definitely help in admission process.

STUDENT'S SPEAKS

"AFA, well unfortunately I joined it little late and was not confident enough for preparation, but unexpectedly things started to change from the first day only and I was stunned with such friendly environment around me. The faculty handled me so well that I totally forgot my fears for my career. The amazing teachers and their intense teaching skills not only cleared my doubts , improved my skills but most importantly they grabbed and pulled out the real passionate and competitive designer within me. Within six months I explored almost every section of design. The extraordinary teaching , the amazing workshops and interesting activities. I'm just speechless at this, but at the end I have to say that my journey with Afa was completely delighting , I enjoyed my time , learned a lot and made amazing friends. Thank you Afa for everything."

STUDENT'S SPEAKS

"I am SreeTheertha A from Kerala. I got shortlisted for B.Des at NID Kurukshetra. I didn't know much about the pattern of design entrance examinations when I started my preparations. AFA guided me about the syllabus and questions pattern from the very beginning. The online study materials, videos and previous year paper helped me a lot in the preparation. All of my works were evaluated by the faculties which gave me an insight into my strengths and weaknesses. Rekha Ma'am always listened to my queries and cleared my doubts on time. AFA really helped me in my entrance preparation journey."

AFA persuaded me to join the course in the first place and to take the first step. It's very important to have a strong foundation and Afa helped me with the basics. I'm thankful to all the mentors who have always been encouraging.

Varshini Devotta 2023

Thank you so much ma'am yes I tried for NID again this year last time so I thought i'd give it a try again so this time I practiced more with the papers and more materials like things because of that I secured a good rank this year in the NID examination and also I've got an allotment in NID Ahmedabad the notification just came recently so I'm very happy with the result and thank you for the classes from AFA as well I did refer your materials even after taking a gap year so yes it does help me in all possible ways thank you so much mam and yes I will send you a video writing regarding my preparation for the exam.

STUDENT'S SPEAKS

"I joined AFA in the summer of 2022 and my experience here has been great. I had opted for the online classes and they were the most exciting and creativity-filled days of the week. With the help of some of the best teachers, Rekha Ma'am and various alumni, I have been able to learn new techniques that helped enrich my skill set and broaden my perspective on design. The Zoom meetings and campus visits regularly scheduled with some of the best design colleges of India, provided me with the knowledge I needed for acing my design entrance exams. The faculty here is very supportive and patient and are always ready to help you. They have created such a stimulating and creative environment for learning and it has allowed me to channel my creativity and learn for my surroundings. Periodic tests, doubt-clearing sessions and the intensive study material provided by the AFA Institute helped me improve myself. Overall, without the help of AFA, this wouldn't have been possible."

AFA played a very important role in my result all the teachers and the faculty were very helpful..The teacher motivated me, guided me not only for the exam but also helped with the college procedure..I am thankful to all the teachers for their support and love.

Anushka Singh 2023

STUDENTS INTERACTION

SIMRAN NAGPAL (2023)
NIFT AIR 15
NIFT DELHI FC

AFA was truly a guiding light in my journey to success. The institution helped me understand so much about so many things. The knowledge I consumed during my time at AFA is the reason why I was able to achieve this and I will never stop feeling grateful. The teachers understood my strengths and taught me how to use them to my best ability. They also recognized my weaknesses and helped me get over them. It was an amazing thing to experience as a student and a design aspirant.

AFA became family during this whole journey everybody was on the same boat , our captains: The Amazing teachers : Rekha mam , Neelam mam, Prakriti mam and all who helped us overcome all the big waves during the journey. I'm so grateful to have enrolled in AFA because it helped me reach where I belong.

JENNIFER BODRA (2023)
NID KURUKSHETRA
NIFT CHENNAI

MAMALI MISHRA (2022)
NIFT DELHI

I am very happy that I have got Rank 11 all over India and I have never expected to be in such a position right now. I have got a seat in NIFT DELHI and I am pursuing Fashion Communication. Last year, I went for NIFT too and was prepared from a different institute. The rank which I got last year was not satisfactory so I decided to drop a year and again start preparing for NIFT and then I joined AFA.

DEBARSHI ROY (2022)
RANK - 1
NID AHMEDABAD,
TEXTILE DESIGN
RANK - 4

I am a reader, so I love to read articles, books and documentaries. Most of the information comes from good poets & writers. 2-3 hours in a day is good enough for practice and revision. AFA's Study Materials and classes helped me a lot while I was preparing for my exam and I am thankful to the Academy of Fashion & Arts (AFA) for providing me with updated study material which not only helped me in my exam but also saved my time and effort for searching desired stuff for preparations.

MUSKAN SOMANI (2020)
AFA PATNA
NID B DES
AHMEDABAD NIFT

AFA is one of the leading design institutes in the country. Faculties at AFA not only supported and guided me but made me believe in myself and that I am capable enough to clear the entrance exams. I am highly obliged to all the faculties who pushed me to reach where I am right now. THANK YOU, TEAM AFA .

ISHITA KIRTI (2022)
NID AIR 2
UNIVERSAL DESIGN
NIFT AIR 4

I joined AFA absorbed in self doubt and fear of the exams. However going through the classes regularly helped build me a schedule & discipline to follow to keep up my practice. Online tests and class questions gave a good idea of how the exam was going to be, making it one level more comfortable for us. The teachers listen and answer all questions, doubts are always discussed, talks with other college professors gave a platform to interact and gain a third perspective. Overall, the benefit of being in a disciplined routine with such up to date and thorough material helped me cover up the gap of being from a non-design background. Thank you to AFA for all its help!

NIFT DELHI

AFA has been a great medium for me to practise and build my creative skills to crack my NIFT entrance exams. Teachers, there are extremely friendly and helpful in every step towards improvement. I had a great time learning with them.

I'm thrilled to have gained admission to NID, my dream college. The experience here has been nothing short of exhilarating, with a vibrant creative atmosphere that's truly inspiring. AFA Academy played a pivotal role in my journey, providing excellent coaching that honed my skills and prepared me for this achievement. For aspiring designers, I suggest nurturing your passion, staying committed, and seeking guidance from experienced mentors like those at AFA. Embrace challenges and keep pushing your boundaries; your dream college may be closer than you think. All the best!!

NIFT DELHI

Getting admission in Nift Delhi is really like my dream come true. From very young age. I wanted to study in NIFT. The faculty, seniors and environment here is awesome. Getting here couldn't be possible without AFA. The teachers are great they really helped me a a lot. They were always been there to answer our queries, solve our problems and always motivated us to keep going.The only suggestion to the design aspirants is keep working always listen to the teachers. Apart from the given work, solve mock test and last year papers. It really helps a lot.

It feels blissful to be pursuing what you want to that too from a recognised prestigious college of your country. AFA was more than what I expected, the mentorship I needed and the peers I found are something I am really grateful for. The teachers, the counselor are really really supportive. For anyone looking forward to take up design, I am happy that you figured out what you wanted to do. Enjoy the process, it's fun but a bit overwhelming at times too but keep on going.

I would like to thank AFA for all the help and guidance that I required and everything they taught me. Special Thanks to Ravi sir for being an incredible mentor and his excellent pedagogy that helped me in clearing my exam. Thankyou Rekha ma'am for helping me throughout with my doubts, arranging extra classes. I couldn't have done this without the support of my wonderful mentors! Thankful for everything!

SEJAL GOEL (2023)
NIFT, LIFESTYLE AND ACCESSORY DESIGN

I honestly mean this when I say I wouldn't get in if it was not AFA that I trusted with my entrance preparation. All the faculty is amazing! Special thanks to Rekha mam, Prakriti mam, Neelam mam, Akansh sir and Rajesh sir. AFA was very welcoming and the aculty use to let me practice anytime and used to guide me very nicely. All the mock tests and previous year question papers given by Afa helped me alot! To conclude it was an overwhelming experience and one that I wont ever forget and so lovely teachers and mentors.
